

Community Litter Picker Details Form

I have read and understood the Health and Safety Information provided and I have understood that I am carrying out the duty of a Community Litter Picker at my own risk.

We would like to include you in our email distribution list. We will only send out a range of information related to the Love Where You Live initiative. This includes a biannual Community Litter Picker newsletter and information about events such as the Great British Spring Clean. By providing your details you agree to be contacted by us. We will treat your data with respect and will never pass it on.

Please tick here if you would like to sign up to our Love Where You Live emails. You can opt out at any time.
