Dear Ms O'Rourke

Thrupton Neighbourhood Plan Examination

Thank you for your letter clarifying several procedural matters relating to the examination of the above plan. We note that you are satisfied with the examination documentation and that you have not identified any significant and obvious flaws that would lead you to advise that the examination should not proceed. We also note that you consider that the examination can be dealt with by written representations and without the need for a hearing.

You have raised 5 questions to TVBC and a further 10 for the Qualifying Body. The QB will respond to you directly and the Councils response is as follows:

Questions to Test Valley Borough Council:

1. Please confirm the date of submission of the Plan, in accordance with Regulation 15, to TVBC.
Response: The date of submission of the plan is 19th January 2019
2. Please confirm the dates of the first Regulation 16 public consultation. The Consultation Statement refers to this commencing in February 2019 but does not give the full dates of the first 6 weeks period.
Response: The Regulation 16 consultation ran from 6th February 2019 to 20th March 2019.

3. Please clarify for me why the TVBC think the NP should have a 15 year time horizon, to 2034, when paragraph 1.4 explains that it looks ahead to 2029 to coincide with the plan period of the Test Valley Local Plan, and advice in the PPG is that 'neighbourhood planning provides the opportunity for communities to set out a positive vision for how they want their community to develop over the next 10, 15, 20 years ...' (PPG Reference ID: 41-003-20190509).

Response: Thank to for identifying this element of the councils response which is not in conformity with the PPG. We now confirm that it is appropriate for the Neighbourhood plan period to coincide with that of the Local Plan of 2029.

4. The Plan at paragraph 5.27 refers to the Test Valley Green Infrastructure Strategy. The Strategy is dated July 2014 and covers the period 2014-2019. Has it been updated?

Response: We confirm that the July 2014 strategy is the up to date strategy.

5. Representations made by Orchard Homes and Developments Ltd, in respect of the Basic Conditions Statement, refer to various indicators in TVBC's ward profile for Thruxton, more particularly house prices and affordability. I would appreciate if I could be provided with a copy of the most recent ward profile.

Response: Thruxton sits within Bellinger Ward, and the Ward Profiles do not go into the detail of house prices. The Parish Profile does contain information about house prices and affordability, and has been appended to the end of this letter. The profile was last updated in 2016, and are currently being updated to take into account boundary changes to a number of parishes within the Borough. The Parish Profile can also be found at Document 11 in the NP evidence base.

I hope this information is helpful and we look forward to receiving your draft report in due course. If you have any further questions please don't hesitate to contact me.

Yours sincerely

Sarah Hughes MRTPI

Neighbourhood Planning Officer

Thrupton parish profile

This profile provides a summary of the latest available information on the demographic make-up of the Thrupton parish within Test Valley. It looks at the population structure and provides economic, housing and educational information for the parish.

Thrupton is one of the 59 parishes in Test Valley. It has an area of 633 hectares which represents 1.0% of the total area of Test Valley.

Elected representatives

Hampshire County Councillor Cllr Zilliah Brooks	Test Valley Borough Councillors Cllr Phil Lashbrook Cllr Pam Mutton
Thrupton Parish Council Chairman Cllr Charles Milner-Williams	Thrupton Parish Council Clerk Ms. Heather Bourner

Community plans

Thrupton has a **Village Design Statement**, which was adopted by Test Valley Borough Council in 2006 as Supplementary Planning Guidance. The advisory document aims to describe the distinctive character and history of the village and the surrounding countryside. It explains the landscape setting of the village, the shape of the settlement and the nature of the buildings, and can be found online:

<http://www.testvalley.gov.uk/resident/communityandleisure/workingwithcommunities/mylocalarea/penton-bellinger/thruptonvds/>

Details of any community planning exercises your parish is undertaking can be added here. Please get in touch with the Policy Team at the email address below and we will be more than happy to add information at your request.

Additional information

The information in this profile has been prepared by Test Valley Borough Council's Policy Team in Partnership with the Local Government Association. If you would like further information about a specific area or data set, please contact the Policy Team on 01264 368000 or policyteam@testvalley.gov.uk, and we will be happy to work with you to provide a more detailed profile.

This profile contains key information for you to use to contribute to the development of a Neighbourhood Plan or other community project. If you know of any additional information about the parish that may be of use (for example, information on local facilities) please get in touch and we will endeavor to work with you to add to or change the profile.

Please note that most of the data featured in this profile is taken from the 2011 Census, whilst the population data is taken from Hampshire County Council's 2016 Small Area Population Forecast. Therefore, there is some discrepancy in population figures.
