Chilbolton Neighbourhood Plan

Regulation 16 Consultation Response Form

Please return your completed response form to Test Valley Borough Council via either:

- E-mail: Neighbourhoodplanning@testvalley.gov.uk or
- Post: Planning Policy, Beech Hurst, Weyhill Road, Andover, SP10 3AJ.

The consultation ends at Noon on Friday 21 February 2020.

Please review the Data Protection section, and sign and date at the end of this response form.

Guidance Note:

This response form has two parts:

Part A – Contact Details and Future Notification

Please provide your personal contact details. If an agent is appointed to represent you, then they would need to provide their full contact details in addition to your Title, Name and Organisation (if applicable). This information is required to enable the Independent Examiner to contact you for further information if required during the examination of the Neighbourhood Plan.

Consultees can request to be notified once Test Valley Borough Council has decided to ‘make’ the Chilbolton Neighbourhood Plan, following the Independent Examination and referendum. This decision is the final statutory stage in adopting a Neighbourhood Plan. Please indicate whether or not you wish to be notified.

Part B – Your representation(s)

If you are responding using this form, please use a separate Part B form for each different part of the Plan that you respond to (for example, one form per document or per policy).

Please use the table to set out which document and which part of that document your comments relate to. If your comment is on a specific element please set this out in the table. Your comments should then be written in the box – please state if you have included any attachments as part of your comments.

[Diagram or Table]
Southern Water is the statutory water and wastewater undertaker for Chilbolton and as such has a statutory duty to serve new development within the parish.

Although there are no current plans, over the life of the Neighbourhood Plan, it may be that we will need to provide new or improved infrastructure either to serve new development and/or to meet stricter environmental standards. It is therefore important to have policy provision in the Neighbourhood Plan which seeks to ensure that the necessary infrastructure is in place to meet these requirements.

Policy EN6 refers to renewable energy, but does not provide support the general provision of new or improved utilities infrastructure, such as water or wastewater. The NPPF (2019) paragraph 28 establishes that communities should set out detailed policies for specific areas including ‘the provision of infrastructure and community facilities at a local level’. Also, National Planning Practice Guidance states that ‘Adequate water and wastewater infrastructure is needed to support sustainable development’.

Although the Parish Council is not the planning authority in relation to utilities development proposals, support for essential infrastructure is required at all levels of the planning system.

Proposed amendment

To ensure consistency with the NPPF and facilitate sustainable development, we the following addition to Policy EN6:

**New and improved utility infrastructure will be encouraged and supported in order to meet the identified needs of the community subject to other policies in the plan**
**Data Protection**
